SUPPORT THE FUTURE OF OUR INDUSTRY

The success of our industry depends on a strong, skilled workforce. For more than 30 years, proceeds from the Memorial Scholarship Golf Outings have helped build that future by supporting students pursuing education and training in concrete-related fields.

Since 1991, over \$200,000 has been raised to fund textbooks, testing equipment, and academic scholarships. Since 2018, funds have also reimbursed 50% of MCA/ACI Level 1 Certification costs for students at Eastern Michigan University, Western Michigan University, Lawrence Technological University, Macomb Community College, and Alpena Community College.

Enjoy a great day of golf while competing for team and individual prizes including lowest score, longest drive, and closest to the pin.

Register by June 2 (Hawk Hollow) or August 24 (Buck's Run) at miconcrete.org/golf-outing. No team? We'll place you!

Registration includes meals, beverage tickets, range balls, green fees, cart, and prizes. Join us for dinner even if you don't golf!

ADDITIONAL OPPORTUNITIES TO RAISE FUNDS

The Michigan Concrete Association will offer additional opportunities to raise funds for the Memorial Scholarship Fund and the MCA PAC fund.

Please note to bring cash for the above items.

Cash will also be needed for Skins if you plan on participating.
